SPL ENVIRONMENTAL POLICY STATEMENT:

Stima packaging limited believes it has an important duty to ensure good environment performance in all its business operations and to provide the necessary organization, commitment and training to fulfil this obligation. The senior management firmly believes in and is committed to monitoring and improving environmental performance, pollution and environmental protection.

These shall be achieved through:

- Incorporating environmental responsibilities into all business operations by planning environmental protection, reviewing and developing policy by setting targets and reviewing as well as auditing performance.
- Utilizing the best available techniques to comply with the requirements of existing and future legislations and encouraging those working our site to meet the same standards.
- Implementing the same systematic waste minimization programme to achieve objectives and targets to reduce waste.
- Pursuing continuous improvement in environmental performance where reasonably practical by setting objectives and targets especially in addressing the areas of resource use by reducing energy and water consumption increasing reuse and recycling and improving liquid and solid waste management methods.
- Being able to maintaining effective communication systems on environmental matters through training and improved awareness.
- Sitima packaging will promote its objectives and will respond positively to enquiries and suggestions from both sides and outside the company.
- All employees have the responsibility for policy implementation by participating and contributing to its success through their actions and suggestions
